

## L SERIES - Shadowline Trim - 8mm

METRIM is an Australian Made Aluminium Tile Trim designed to provide a contemporary solution to finishing tiling around doors and windows returns in lieu of timber architraves.

- Eliminates timber architraves
- Delivers an **elegant** finish & **smooth** transition from door to wall
- Made from **responsibly sourced aluminium**
- Seamless finish - **no silicone required**, no more uneven rough lines and grout cracks joints
- Minimise trades and **speeds up installation** as it requires only a tiler or carpenter to install
- **Modern** and **sophisticated** look characterised by a distinctive shadow line look
- Proudly **Australian Made Sustainable Products**

Australian Patent No: 2019903246

## CHEMICAL COMPOSITION

Weight %	Si	Fe	Cu	Mn	Mg	Cr	Zr	Others	
								Each	Total
Min.	0.30	0.10			0.35				
Max.	0.60	0.60	0.10	0.10	0.6	0.05	0.10	0.50	0.15

See colour brochure for our full range of options.

Note: All METRIM tile trims come in 3 meter lengths.

## MECHANICAL PROPERTIES GUARANTEED (AAC SPECIFICATION)

Temper	Form of Produced	Thickness mm	U.T.S. (MPa)	0.2% Proof Stress	Elongation % 50mm
O	E, DT	All	130 Max.		16
F	E	No specified Properties			
T1	E	Up to 25	115	60	12
T5	E	Up to 25	150	110	8
T591	E	Up to 25	150-205	95-140	8
T595	E	Up to 25	170-22	130-160	5
T81	DT	All	225	205	8
T891	DT	All	180	150	8

Sustainable products

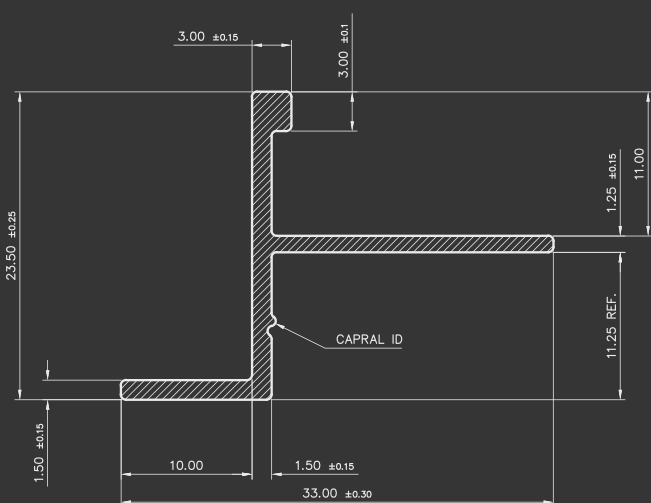

All MeTrim products are designed and manufactured in Australia
